

Fumigation Form for Australia Brown Marmorated Stink Bug (BMSB) Season

The Australian Government Department of Agriculture and Water Resources are mandating fumigation for named Target High Risk Goods, and goods found to be contaminated upon inspection for Target Risk Goods, arriving into Australia. Fumigation measures are created to manage the risk of Brown Marmorated Stink Bugs (BMSB) into Australia and will be required for certain goods shipped between the Australia official BMSB Season annually. For more information on risks, Target High Risk Goods Lists, Target Risk Goods Lists, and requirements, please visit <http://www.agriculture.gov.au/import/before/pests/brown-marmorated-stink-bugs>.

1. My purchase order/shipment is not found in any target category and therefore does not require fumigation, and I understand that the Australian Government has a right to require fumigation upon arrival, whether or not I give my express permission for such fumigation.	
2. My purchase order/shipment contains targeted items, and I authorize Primary Freight Services, Inc. to fumigate my goods prior to export at my risk and expense.	
3. FCL only: My purchase order/shipment contains targeted items, and I will be handling fumigation in Australia at my own risk and expense.	
4. My purchase order/shipment requires fumigation, and I will be providing Primary Freight Services, Inc. with the necessary, valid, and application, fumigation certificate (this option might not be available for all shipments).	

AUTHORIZING PARTY

I hereby declare that the information contained herein is true and correct, and I take full responsibility and liability if the information is found to be in error, or if it causes monetary or other damages, directly and/or indirectly, not only to my purchase order, but to any purchase order within the same container as my goods. I understand that fumigation may cause loss or damage to items. If my goods are moving within a consolidated container, with other cargo, I understand that even though my goods cannot withstand fumigation, I accept the risk that the entire container might be called for fumigation by the Australian Government upon arrival at destination. I accept the risk of loss or damage to my goods, and will hold Primary Freight Services, Inc. harmless and without liability of any and all claims.
